## **CLUB NEWS**

### **MARIE MALDEN**

We received the sad news this week that Marie had passed away on Saturday.

Marie and husband Bruce were long time members of Coringa, retiring from golf in 2017.

Our love and thoughts go out to Marie, Bruce and Family.

### **COURSE NEWS**

Green speed is 11 feet which is really good a week out from the Canterbury 4BBB. The aim is to get the greens up to top speed for this competition to really test Canterbury's gun golfers (and show case our course).

With this week being a short week we have been busy trying to fit everything into 4 days. The greens are running okay for this time of year, and they got a bit of fertilizer to help with shade and any stress that they might have over the winter months. The turf behind the 13th green has been replaced and is looking great. The main practice area has been renovated with 18mm solid tines and top dressed with sand. It may be a little rough for a couple of weeks but needs this work to give the area a chance to regenerate.

Next week we will be doing course preparation for the Canterbury 4BBB, but we will also be looking into the water leaks over at the IGQ practice area.

### **TUESDAY CREW**

A lovely Tuesday morning was spent mainly weeding the native plants we put in 18mths ago behind the 10<sup>th</sup> green (good news is most have survived and look like they will take off next spring). We also did a bit more in-fill planting in this area with the aim to really 'densify' it when everything grows in a couple of years.

While we were doing this Brian Docherty and Walter Scott undertook a special job – cleaning the yellow tee signs around the course, making them more visible and also straightening a few of them up (well done guys!)

Next week it will be helping Rohan with the prep for the Canterbury 4BBB comp. on the 16<sup>th</sup> June.

### **COURSE CARE**

It's a little frustrating knowing all the effort that goes into getting the course looking great and then see its not being maintained by those using it. On Wednesday morning, Rohan and the team raked every bunker on the course before the Watering tournament. On Thursday afternoon when I played, every bunker I walked past (or was in, and that was a lot!!) had fresh, unraked foot prints, often multiple sets

Please, please, please,

- Rake bunkers
- Repair Divots (both on the fairway and in the rough)

- Repaid pitch marks on the greens

And you don't have to just restrict yourself to your footprints, divots or pitch marks - if you see something, fix it up – its your course after all.....

### **LOCAL RULE - LEAF RULE - no longer in play.**

Tomorrow, Friday 7<sup>th</sup> June will be the final day the leaf rule will be in place.

### **CLUB SPONSORSHIP:**

The club has been fortunate to be approached by one of our members, Jason McCauley, on behalf of his firm Goodman Fielder to become corporate sponsors of Coringa.

The sponsorship by Goodman Fielder will be used to assist the board and club with interclub uniforms.

Thanks very much for the helping hand Jason and Goodman Fielder..

If there are any other members who may know of businesses that may be helpful in assisting in the ongoing development of the club, could they approached a board member.

### **MONTHLY TITLEIST GOLF BALL RAFFLE**

Don't forget, the June raffle is underway, purchase your tickets in the pro-shop, \$5 each.

1<sup>st</sup> Prize is one dozen PROV1 golf balls.

2<sup>nd</sup> 3<sup>rd</sup> and 4<sup>th</sup> prizes = one sleeve of PROV1 golf balls.

### **KAIKOURA MEN'S OPEN**

### **CONGRATULATIONS – DREW BUTCHER**

Winner of the  
Hunting and Fishing Kaikoura Men's Open

With a best gross score of 144 over 36 holes.  
This included a 4-under par 68 in his second round,  
Well done, Drew!

Congrats also to Jimmy McOscar who finished in a  
respectable 7<sup>th</sup> place overall, and also picked up a nearest  
to pin prize on Sunday

## **MENS CHAMPION OF CHAMPIONS - Rangiora Golf Club**

**Sunday 9<sup>th</sup> June - 10am Start**

Featuring Coringa Club Champions - John Rademakers, Paul Snape, and Oh Young Kim,

They will be competing against the club champions from other Canterbury golf clubs.

Feel free to go along and support the team!

### **HOWARTH SALVERS – Semi finals**

- Match-play on Handicap, (the lowest handicapper goes back to zero)
- **You may enter match of the day** but if you do you must hole out, no gimmes!
- Shootout, and Ringers will count provided you are in Match of the day.
- Any tied matches after 18 goes to a sudden death play-off, starting from hole 1.

Note; In case of a playoff - please be courteous when playing through, especially if people are on the 1<sup>st</sup> tee.

- **Maintain Pace of Play**

We want you to play at your best, but the rest of the field would very much appreciate it if you could do so whilst maintaining the pace of play,

**The regular rules apply to you too - keep up with the group in front!**

Here is the draw for this Saturday's semi-finals.

#### **Div 3**

9.29am Barry Stringer v Keith Yardley Trevor Lee v Peter Marsh

#### **Div 2**

9.36am Wing Gin v Murray Angus Lloyd Bell v Jesse Guise

#### **Div 1**

9.43am Mal Ashton v Paul Snape Spencer Wicks v Ram Thapa

## **WINTER RINGERS**

**\*\*Winter Ringers Competition\*\*Time to Join In & Have Some FUN\*\*The More, The Merrier \*\***

The Ringers competition started off last Saturday with the Winter edition having an initial 38 registered competitors, with handicap indexes between 0.5 to 30.5. I'm guessing that the long King's Birthday weekend affected the numbers. If you decide to enter in the next few weeks, then any previous qualifying rounds played and recorded on the dotgolf website will be included in the composition of your Ringers score.

This is a competition that everyone can compete in and have a fair chance of winning and it does not favour the high handicappers.

The entry fee is **\$10** and field is divided into three equal groups that are dynamic, that is the composition of each group is only finalised after completion of the last round and those with handicap indexes that border the ranges may swap between groups depending on their weekly changes in their handicap index.

Your weekly round scores will be picked up from Dotgolf website and a weekly Ringers leaderboard will be published on Facebook, the Coringa website and on the notice board in the Pro Shop.

Test your golfing prowess and beat the course hole by hole over a thirteen-week period, have some laughs and earn some bragging rights over your fellow competitors. If you're having a bad round to start with, there's always something to play for as you begin to target the remaining holes left on your scorecard to improve on your Ringers score.

Get involved, don't be the one that's missing out on all the FUN...challenge yourself and see what your lowest gross/net score could be if you had the perfect composite round. Get rewarded for your efforts.

There'll be an entry sheet on the Pro Shop counter, next to the cash register, register your name on the sheet and pay your entry fee to Barry.

After Round 1 off the Black/White tees for the men and Yellow tees for the women, Lindsay Smith (17.3) leads the field with an impressive net score of 63.70, ahead of Murray Angus (12.7) with a net score of 67.30, followed by David Harvey (8.2) on 69.80. So at this early stage, there are only eleven competitors who are currently under net par but with another 12 rounds to play, the leaderboard will change dramatically over the coming weeks and the range of net scores in the field compresses. There were 19 birdies or better recorded, with David Harvey (8.2) making a solid start with three birdies, followed by Malcolm Wratt (8.7) and Michael J Smith (20.5) with two birdies each, followed by twelve players with a birdie each.

## **MENS REPORT**

### **This Saturday 8<sup>th</sup> June**

Will be a 4BBB Competition off the Silver tees,  
Howarth Salvors  
Winter Ringers  
Shootout.

**Full Field** – once again our field is full, with the shorter winter days, it looks like it will remain this way for a while,

It is great to see many groups trying hard to keep pace of play, most people are putting in the effort, But I was disappointed to hear of one group who fell almost 2 holes behind, and never caught back up.

With a full field, the flow is already a little bit slower, so there is no excuse for falling further behind. The flow on effect of your slow speed, the later groups took close to 5hrs to complete their round,

Any groups who are struggling to keep pace with the field, please do better!

### **Last Saturday 1<sup>st</sup> June**

#### **Kings Birthday match of the day – Sponsored by Peter Timbs Meats**

This was a last-minute surprise.

A huge thank you to Andy Ashby for providing the club with Peter Timbs Vouchers.

\$35 vouchers went to the winners of each division.

Today was a Stableford competition off the dual Black / White tees,

We had 95 entries into the match of the day, with just 21 of those opting for the challenge of the Black Tees.

Congratulations to Rohan Ware, winning the best gross off the black tees,

Amazing scoring out there, most notably by Graeme Falloon taking out the 3<sup>rd</sup> Div with 44 points, wow!

Great to see some new names among the prize winners, Lindsay Smith, obviously sick of Bev being the big winner in the house, came in with a whopping 43 points. 🙌🙌🙌

Poor Nigel Foster, he must surely have felt his 41 points was good enough to win his division, sorry Nigel there's some real burglars at this club, well played though.

I'm not sure what's happening with Murray Angus, he never plays this well when he is my haggle partner, 39 points. Well done Murray.

There were some awful scores out there too, with some surprising names at the bottom, like.....  
..... lol, no name shaming here sorry.

Here are the main results of the day – Stableford.

I had a stern talk with Elliot on Saturday, and told him to pick some proper numbers for the birdie / net eagle holes, especially after last week's fiasco when he drew the same number twice,

What made me laugh, he didn't know why he was picking numbers, all this time he thought he was drawing the raffle, haha, keep up the good work Elliot.

Congrats to this week's big winners, S Y Park (birdie hole), and Lindsay Smith (net eagle hole)

## **UPCOMING EVENTS**

- **15<sup>th</sup> June - Interclub Trials – Blank and Simon Cup**
- **16<sup>th</sup> June - Canterbury 4BBB Championship**

## **WEDNESDAY GOLF**

### **'The Lone Star and Joe's Garage Group' Wednesday Watering (\$20 Entry) Tournament:**

We had our monthly '**Lone Star and Joes Garage Group**' tournament on Wednesday the **5th June** with once again great numbers of 77 participants playing for our usual **\$50 'Lone Star' and 'Joes Garage Group'** vouchers and meat prizes and raffles from our friends at '**New World Bishopdale**' and closest to pins through '**Hancocks**'.

The course was looking and playing fabulously with a number of players making comments about the excellent condition of the course. Thanks Rohan, Steve, Max and Doug as you all continue to do a great job on the course!

The highlight of the day was **Ian Donaldson shooting his age with a great 72** and first prize in Division One with 40 points. Great play Duck.

Coringa Members within the two division;

#### Division One:

1st	Ian Donaldson	40
5th	Mandy Son	36(C/B)
6th	Walter Scott	36(C/B)
7th	Jong Yun Kim	36(C/B)
8th	Lloyd Bell	35(C/B)

#### Division Two:

1st	Mike McKessar	40(C/B)
3rd	Michael Smith	38(C/B)
2nd	Lindsay Thorn	39
6th	Louise Su	37(C/B)

The full results are on the club website.

The greens remained challenging in pace with only seven two's being recorded out of 77 participants.

We did have a couple of issues which I will repeat within the newsletter. Cards being incorrectly completed and not being signed by a marker. I noticed around the course, that the green staff had freshly raked all the bunkers before play and unfortunately some areas where there had been no raking undertaken after a shot had been played or not all the feet marks had been raked away. I reminded all the participants at the prize giving of their responsibility to fully rake all evidence of a shot being played from the bunker before they leave. Hopefully this was acknowledged by the culprits but it's a wee reminder for all of us, to leave the bunkers in a good condition for following players.

We have our mid June monthly '**The Lone Star and Joes Garage Group**' (**Members \$10 / Visitors \$15 Entry**) Watering Tournament on Wednesday **19th June** playing for our usual meat prizes and raffles from our friends at '**New World, Bishopdale**'.

Remember this tournament starts at 10.30 am and only groups authorised by me can start before that time. Please don't just turn up and put Nic under pressure to play early. The tournament times run from 10.30 through to 11.00 a.m. Those playing early must wait until all the field is in for the prize giving.

Come out and have a game. We'll organise you into a four.

**Next week we are off to Templeton.** For those interested in playing, please just contact the Templeton pro shop and book your four and a tee time.

### **THURSDAY GOLF**

We had a field of 16 turn up for golf today on a glorious sunny winter morning. Conditions were perfect and the course and greens were in top condition. Today's game was for the Jerry Attick trophy and was a nett round off the yellow tees. Scoring was hot with 4 players playing under their handicap. In first place and winning the Jerry Attick trophy was Hugh Little shooting a fine nett 66. Hugh shot a 79 off the stick and had 3 consecutive birdies on holes, 13,14 and 15.

In second place was Lex Halford shooting 76 for a nett 70 and Lex also had 3 birdies 2 of these on par 3's (sorry Lex no jackpot on a Thursday). In 3<sup>rd</sup> place also on a nett 70 was Keith Yardley and in 4<sup>th</sup> place was Robert Pryce on a nett 72.

There were 4 two's today, Lex Halford on holes 5 and 17, Hugh Little on hole 13 and Lloyd Bell on hole 17.

**Winter tee off time now 10.00am.**

### **Results**

1	Hugh Little	nett 66
2	Lex Halford	nett 70
3	Keith Yardley	nett 70
4	Robert Pryce	nett 72

## AND NOW....

- Several men are in the locker room of a golf club. A mobile phone on a bench rings and a man engages the hands-free speaker function and begins to talk.  
Everyone else in the room stops to listen.  
MAN: 'Hello'  
WOMAN: 'Honey, it's me... R u at the club?'  
MAN: 'Yes'  
WOMAN: 'I'm at the City Centre mall now and found this beautiful leather coat. It's only \$1,000. Is it OK if I buy it?'  
MAN: 'Sure, go ahead if you really like it.'  
WOMAN: 'I also stopped by the Mercedes dealership and saw the new 2024 Models. I saw one I really liked.'  
MAN: 'How much?'  
WOMAN: '\$98,000'  
MAN: 'OK, but for that price make sure it comes with all the options.'  
WOMAN: 'Great! Oh, and one more thing, the house I wanted last year is back on the market. They're asking for \$980,000.'  
MAN: 'well, then go ahead and make an offer of \$900,000. They will probably take it. If not, go the extra 50 thousand if you think it's really a pretty good price.'  
WOMAN: 'OK. I'll see you later! I love you so much! You're so generous!'  
MAN: "You're worth it. 'Bye!'  
The man hangs up. The other men in the locker room are staring at him in astonishment, with mouths wide open  
The man turns and asks "Anybody knows whose phone this is?"

## MEMBERS CORNER

There's not much to report this week,  
I'm going to have to start dressing up in a disguise, so no one recognizes me,  
People seem to be shying away from the fame and publicity, and they are clamming up when I am nearby,  
I suppose the notepad and the recording device I'm holding might be a turn off to some.

Then there are the other people who find, after having their praises sung in the newsletter one week, the pressure to perform becomes too much, and they bomb the following week, sorry Mal Ashton I'll try not to say anything nice about you in future, lol. (note Mals bad round was 33pts, that's better than my good round.)

But... there are always people who are glad to volunteer dirt on their playing partners,  
James Howard, for instance, was very quick to offer up Scotty Calvert as a sacrifice to the newsletter,  
Apparently Scott found himself in all sorts of bother on Saturday, shanking the ball multiple times, the worst came on the 15<sup>th</sup> hole, from the black tees, he drove his ball straight into the hedge on the left of the tee block.

Whatever Scott did wrong out there, he must have done a few things right, because he took out first place in the black tees division, "hey Scott, I didn't see Jamies name in the prize winners, did you?"

### **Lost Srixon Golf Ball Found**

Phil Olsen was playing today in the Thursday Mens Competition when after teeing off on the 7th hole he was stepping backwards watching his partners tee off when he accidentally walked into the

silver/white tee marker. The tee marker tipped over and to Phil's surprise under the new tee marker along with the 3 screwed in balls was a Srixon 3 golf ball with pink circles on each side as seen in the picture. How did the golf ball get under the new tee marker?

Phil believes it most likely came off the 3rd tee and bounced onto the tee block and rolled neatly under the new tee marker.

So if you do have a wayward tee shot and it is heading towards another tee block and you can't find it, might pay to check under the new tee blocks.

If the owner would like his pink circled Srixon back contact Phil.
